222 South Peoria St., CHICAGO, ILL., Oct. 7, 1902. Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pro-nounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that itsaved my life. I believe many en could save much suffer ing if they but knew of its value.

#### Eggs By Weight.

There is a movement on foot among produce dealers to adopt the plan which is in use in many parts of the world for selling eggs by weight. The unfairness of the present method is more apparent than real. "If a housewife were to buy by the pound instead of the dozen she would doubtless receive one or two less for the same expenditure unless the eggs were very large. But she would undoubtedly receive the same amount of nutriment, perhaps a little

It is reported that the provisionals of Prussia have been petitioned to have eggs sold in the future by weight instead of number. The claim is that the German eggs are much heavier and larger than the eggs imported from neighboring countries, and, while there may be some slight advantage in the price, it is disproportionate to the actual nutriment contained in the German

The lightest of the German eggs weigh more than the heaviest of the imported eggs, so it seems unfair that they should sell at equal price per dozen.

#### To The Voters of the Fifth Appellate Court District of Kentucky.

I am a candidate for Judge of the Court of Appeals from this district, subject to the action of the democratic party. As circult judge, it became my duty to try a number of criminal cases, which have become a part of the State's letory and at a most critical time. A judge of the State fiscal court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new constitution, as well as to construe the present constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of tranchises under the law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high

CHOKING CATARRH CURED. Your Money Back if Hyomei

Does Not Cure You. "Use Hyomei and be cured of catarrh," ease say to their friends.

It is the easiest thing in the world to stop catarrh at its beginning if you use Hyomei. Just breathe the health giving balsamic air for a few minutes and your catarrh will be cured.

In this city and neighboring towns, there are hundreds who can testify to the remarkable powers of Hyomei to cure catar.h. Many of the staunchest friends of this remedy to-day began its use with little hope that they would be cured, but as Mr. Penny offered to refund the money if it did not cure, they decided to try it on that plan, and were soon restored to health.

Summer Resort.

Hotels. Capacity 600 Guests.

Famous Crab Orchard Springs. As the heated term approaches, the thought arises, where shall I go to seek rest and quiet and find pleasant days and cool nights? This can be easily answered. Crab nights? This can be easily answered. Orab Orchard Springs for nearly a century has proven a model Summer resort, and this season promises to be the best in its history. There health and happiness can always be found. The days are never oppressively warm, while the nights are delightfully pleasant from June till October. The famous Crab Orchard water, (from which is made Crab Orchard Saits), Sulphur, Chalybeste, Magnesia, etc., all flow from large springs close to the Springs Hotel. A new Epsom Well has been opened and the use of the Sait Sulphur Well at depot has been secured.

The Table. Neither money nor pains will be spared to make the table the best to be found in Kentucky. Fine cattle, mutton, pork and poul-try, fattened on the Springs farm, not sur-

assed anywhere. Improvements.

The Springs buildings have all been improved, while paint and paper have been liberally used. The grounds are in the very pink of condition and present a scene lovely to behold just now. All of the walks have been regravelled. Also a complete job of plumbing just about completed from top to bottom.

Crab Orchard Springs has long been noted for the home-like feeling that pervades the entire place. The ceremonial edicts of fashionable home life are laid aside, while
